Be Different365 Foundation – Supporting Children, Parents, and Families to Flourish

www.bedifferent365foundation.com

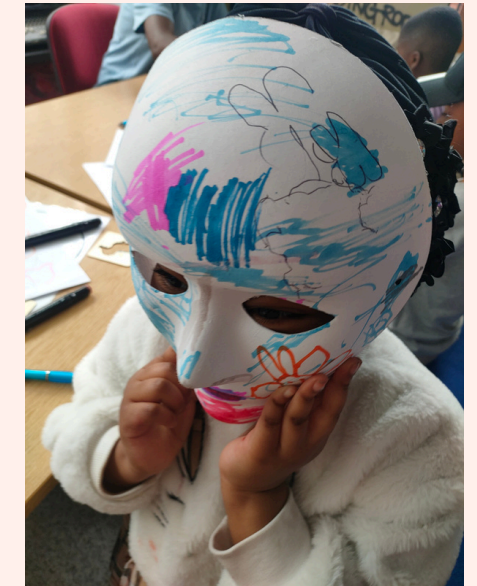

Be Different365 Foundation (BD365) is dedicated to empowering families, strengthening communities, and nurturing every child's potential.

Our programmes aim to support:

- Children under 5
- Parents and caregivers
- Children aged 8+ through youth leadership and entrepreneurship.

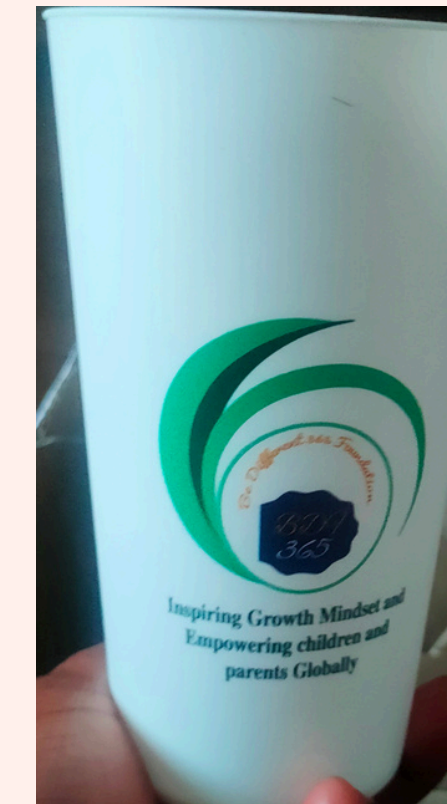

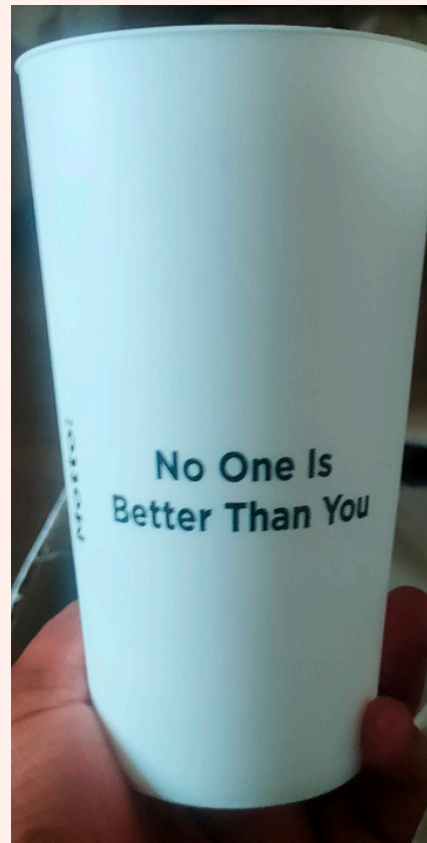

Our mission is based on growth mindset values, wellbeing, inclusion, and community connection.

Building Confidence and Strengthening Families

Early-years support focuses on helping parents feel confident, connected, and equipped to give children the best start in life.

Group activities and practical workshops promote social bonds, reduce isolation, and build family resilience.

Who We Are

Be Different365 Foundation (BD365) is dedicated to empowering families, strengthening communities, and nurturing every child's potential.

Support for Children Under 5 and Their Parents Building Confidence and Strengthening Families We offer early years support that helps parents feel confident, connected, and equipped to give their children the best possible start in life.

Our Key Areas of Support

- Parent confidence-building through guided sessions and peer support
- Connecting families with community resources, including:
 - Local wellbeing services
 - Foodbanks
 - Training and skills programmes
 - Volunteering opportunities
- Practical skills development, such as:
 - Sewing and creative workshops
 - Life skills and confidence sessions
- Promoting positive social connections through group activities and community events.

Support for Children Aged 8+ – Youth Ambassadors Programme

Youth Ambassadors learn leadership: leading confidently, supporting younger children, and representing their communities.

Youth Entrepreneurship Success (December 2025)

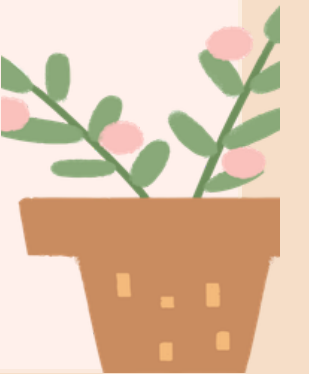

Ten children launched and managed small businesses after participating in BD365's entrepreneurship programme.

Success factors included a bespoke toolkit, mentoring, confidence-building, and practical business skills training—resulting in ventures, financial literacy, peer support and enhanced leadership.

Growth Mindset and Wellbeing Values

Support for Children Under 5 and Their Parents

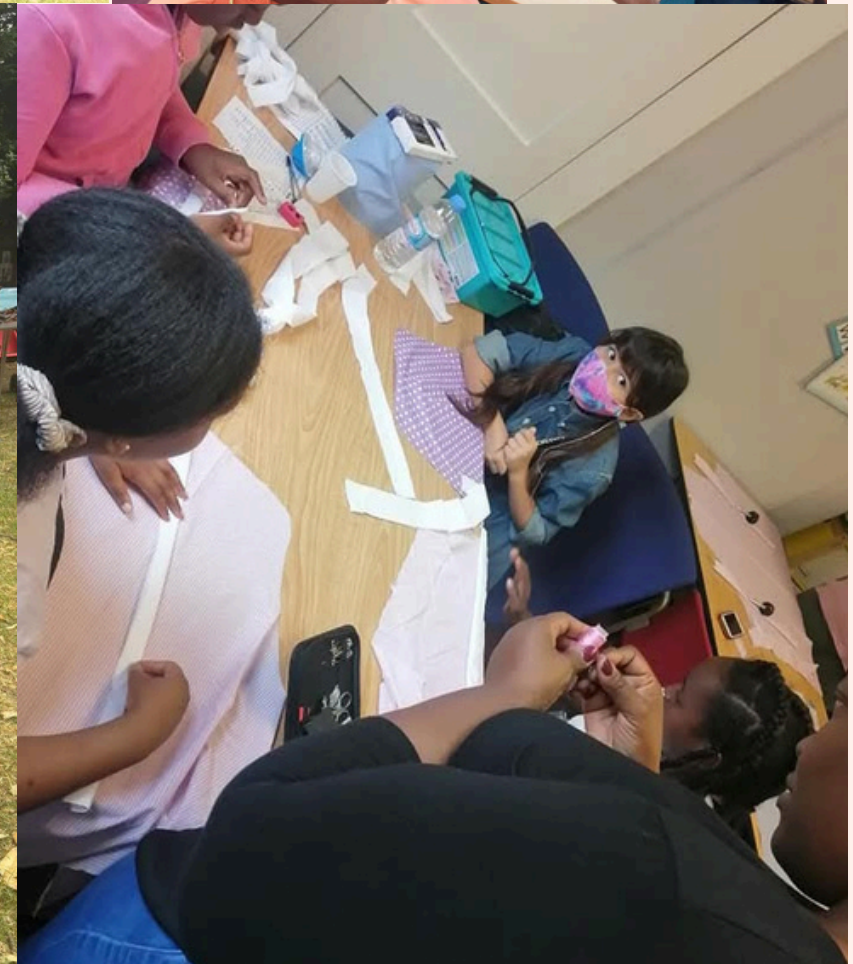

Growth Mindset and Wellbeing Values

Everything we do is rooted in:

- Resilience
- Confidence
- Positive relationships
- Community belonging
- Family empowerment.

Our programmes help families develop the mindset and skills needed to thrive, even in challenging circumstances.

Access to Local Activities and Services

Facilitated access to local sessions: BabyZone, Children's Centres, and weekend peer meet-ups to support early development.

Our Vision for the Future

We aim to expand our support to enable more families facing economic hardship to benefit from:

- Early years programmes
- Family wellbeing initiatives
- Youth leadership and entrepreneurship opportunities.

To sustain and grow our impact, we welcome:

- Funding partnerships
- Community collaborations
- Opportunities to scale our core services.
