

## Geraldine's welcome

Hi everyone, we have **good news** to share, see below.

Page **2** is about our **Keep in Touch** project. See page **3** for a Croydon People First **wordsearch**.

**Croydon NHS** asked us to do some **easy read work** for their **People's Experience, Engagement and Involvement Strategy 2020 to 2023**.

Read the **easy read version** at:

Thank you to **Zetetick Housing** for giving Croydon People First a **grant** to help us continue our work.

More good news, thanks to the **People's Health Trust** in the next few months our **members meetings** will begin.

We will also be starting **new** groups: a **Men's** group and a **Women's** Group.

More **information** coming soon.

# Keep in Touch

## This is what our members say about being independent

You don't have to worry about others nagging you when you come home late

Being free to do whatever I want

It's my long term goal

Making my own decisions

Doing my washing by myself

I can go out and come back whenever I want

Taking medication by myself
