

# Get online and stay connected

The Clarion Futures Digital team helps people get online and make the most of the internet, including applying for jobs, shopping, accessing services and chatting online to reduce loneliness and isolation. Every year we will aim to deliver 10,000 interventions to help people get online and improve digital skills.

**Our ambition is to get all our residents online safely. We offer a flexible and comprehensive digital training programme.**

**Transforming lives  
and communities**

**CLARION  
FUTURES**

# Our Clarion Futures Digital Offer includes:

## Basic Digital Skills training

### Group training

**7 x 2.5 hour group sessions** in community locations such as local centres, sheltered schemes or other community spaces.

All tutors / Digital Champions are DBS checked and all our courses are free.

Please call **0333 344 1035** to book your place.

## Basic Digital Skills - training in your home

**One to One training** sessions at a time and date that suits you.

**3 x 2 hour sessions** in your home and ideal if you are unable to get out and about.

All tutors / Digital Champions are DBS checked and all our courses are free.

Please call **0333 344 1035** to book your place.

## Digital Champions

This is a fantastic volunteering opportunity.

Being a Digital Champion is a great way of making a real difference to other people's lives. You don't have to be an IT whizz, you just need a bit of spare time and enthusiasm to support others with using digital technology.

We'll provide you with free training and support with self-study courses and teaching resources.

To find out more please email Paula or Jo, our **Digital Champion Co-ordinators**, at [paula.blackledge@digitalunite.co.uk](mailto:paula.blackledge@digitalunite.co.uk)

## Digital Devices & Mobile broadband

We want to support you to access the best deals whilst shopping for digital equipment like tablets and laptops.

**If you don't own any equipment we may be able to loan you a laptop, tablet and/or MiFi unit while you learn with us.**

If you don't have Wi-Fi we can supply MiFi units (mobile Wi-Fi) so you can still get online. We offer training with the MiFi units to help you set it up and keep it running.

Please call **0333 344 1035** for further information and support.

## Digital Skills Team

Our Digital Skills Tutors work at Eastside Community Centre which became Matrix accredited in 2011. A range of courses are provided to support you to build your confidence with digital technologies and to get online. We can accommodate up to 18 learners.

We offer the following workshops: Tablet Taster Sessions, Internet Security and Safety, Social Media, Shopping Online, Budgeting & Finance, Job Search, Community Spaces.

To find out more please call Nilza or Sheniz on **0208 981 4756**.

## Digital Communities' Grants

Community based groups working with Clarion Housing residents can apply for grants of up to £5000 to support residents to get online.

Application Forms and Guidelines can be found at:
