Are you 16-25? Want to learn new skills in Construction?

The Prince's Trust and Serious About Youth in partnership with Wates are offering a FREE construction programme ("Construkt") for young people who are not in education, training or employment and interested in gaining experience in the construction and engineering industry.

The programme gives you:

- Career insights through networking with industry professionals
- Hands-on construction experience & CSCS card training for on-site roles
- Work experience with leading engineering/construction companies
- Interactive employability and construction skills training
- Experience in the latest digital design using virtual reality

Taster Day Online : 20th October 2020

Main Programme: 26th - 30th October 2020
