

The Croydon Refugee and New Communities Forum is looking for 2 Joint Chairs to help drive the Forum's Action Plan for 2021.

The main outcome for the Forum is to improve social integration in Croydon by bringing together community organisations working with refugees, asylum seekers and those from new communities and strengthen migrant voices to create a welcoming environment for all.

The Chairs will preferably be from a refugee background, with some experience of leading or supporting a community group.

This is a voluntary position and would require a commitment of approximately 1-2 days a month

If you are interested in the role and would like to discuss it further please contact Christine christine.double@cvalive.org.uk
