

Dear Ms Burns,

Please join us!

We are OpenMinds, a new, not for profit, specialist mental health organisation based in Croydon which makes recovery from a mental health difficulty the main focus of our intervention. Our core values are:

Recovery · Advocacy · Changing Mindsets

We will be hosting our launch event on **Tuesday 22nd November 2016** at the **Croydon Voluntary Action Resource Centre, 82 London Road, CR0 2TB, from 5:00pm – 8:00pm.**

The purpose of this event is to promote the work of OpenMinds' floating support service, but more importantly, to stimulate conversations that will challenge and facilitate change in mindsets, with the goal of reducing stigma and discrimination in mental health service and provision. We also invite potential service users to join us to ask the relevant questions regarding our service.

We cordially invite you to join us for this occasion!

Should you require more information about our organisation or about this particular event, please do not hesitate to get in contact via our e-mail address above.

We hope that can join us on the day!

Yours faithfully,

Imaan Wright
