

Community Priorities –
Selected by the South West Local Community Partnership:

- 1. **Mental Health**
- 2. **Social connection – Older adults living alone – to address loneliness-related health risk**
- 3. **Young People**

Community Priorities South West Local Community Partnership

Responses Average time to complete **Active** Status

1. Please choose a priority from last year's Local Community Plan for the South West Local Community Partnership

2. Please choose another NHS related priority for the South West Local Community Partnership
