

Emergency Response Volunteer Vaccine Support

Croydon Voluntary Action (incorporating the Volunteer Centre Croydon) is working in partnership with Croydon Council and Croydon CCG. We are working to support the Vaccination role out within healthcare settings & vaccine centres in Croydon.

As a Vaccine Support Volunteer your role will be:

- To assist in the smooth running at the centre
- To meet and greet individuals coming to the centre to get their vaccine
- Complete any supporting paper work as required
- To travel within the borough of Croydon

In order to carry out this role you **must not** have any underlying health conditions that would make you deemed vulnerable

This role will mean that you may be standing for long periods of time

You must comply with all Covid -19 guidance provide in the Volunteer Welcome Pack

Croydon Voluntary Action agrees to:

- Provide you with a named contact for you to liaise with, this will be your coordinator
- Provide a briefing before you start any tasks
- To listen to any concerns or preferences in regards to the roles you perform
- Provide a clear description of the volunteering task(s)
- Provide support for any issues that may arise
