BROAD GREEN

LONDON ROAD

Big Local is an exciting opportunity for residents in 150 areas around England to use at least £1m each to make a massive and lasting positive difference to their communities. Big Local brings together all the local talent, ambitions, skills and energy from individuals, groups and organisations who want to make their area an even better place to live.

Big Local Aims

The London Road area of Broad Green has been selected as a Big Local site with the aim that local communities will identify local needs and take action in response to them. At a time when new opportunities are coming to the area it will increase peoples skills and confidence to make the area an even better place to live and work.
