Social Anxiety Communities Involvement (SACI) exists to promote the health and wellbeing of people who suffer with social anxiety in the UK.

DID YOU KNOW:

1. *that almost 10% of the UK population suffer a combination of anxiety and depression*
2. *that people in their middle years (35-59) report the highest levels of anxiety compared to other groups*
3. *Approximately 105,000 people in Croydon suffer from anxiety and depression*
4. *that not all those who suffer from social anxiety seek help*
5. *that regular physical activities has been associated with a grater sense of wellbeing and lower rates of depression and anxiety across all age groups.*

Introducing the

confronting fear project

The Confronting Fear Project is a twelve week project aiming to improve mental wellbeing and resilience among 30 isolated women with social anxiety living in Croydon. We will achieve this through a mix of sports activities and peer support group sessions.

To get involved call us on 07535 685877
