THE DAVID LEAN CINEMA

Dementia Friendly Screenings

The David Lean Cinema, in partnership with the Croydon Dementia Action Alliance, are organising a series of popular music films throughout 2019. These Dementia Friendly screenings aim to make cinema more accessible by providing an inclusive experience to enable people living with dementia, their families and carers to attend the cinema in a welcoming environment. The lights are left on low, there are no adverts or trailers and the audience is allowed to move around or even sing along to any musical numbers if they'd like to.

For tickets go to **www.eventbrite.co.uk** and search Dementia Friendly Screening.

If you are a wheelchair user, please use our online contact form, with Dementia Friendly Screenings in the Subject field.

 **All films listed start at 11am** – Tea, coffee and biscuits will be available from 10.15am. **Admission is free.**
