

We are delighted to support a wide range of charities and develop long-term relationships to make a real difference in our communities.

*I just wanted to thank you on behalf of everyone at Lunchbowl and our friends at the Brothers Trust and teachers at both Coombe Hill Junior school and Christchurch Juniors, a big thank you for the fantastic day we had on Sunday. Such incredible generosity and so well organised. Even though it was chilly, it didn't rain like it has these last days and we all enjoyed ourselves enormously. There were very many of us walking and we are so grateful that your generous match funding will provide so generously for our charities. Once again thank you for the huge time and effort everyone puts in. Bless you all!*

*I just wanted to say thank you for what was a heart-warming and lovely experience last Sunday on the Charity Walk for Peace. It was so well organised and everyone we met from the very beginning was so helpful and friendly. RHLT managed to complete the whole distance (we weren't sure if we would be able to) – we had 3 volunteers and 2 people with a learning disability taking part as well as myself. It was lovely for everyone to get a medal, our group were really proud, and also lovely to have a delicious curry after the walk. Thank you all so much, we have the greatest respect for your organisation and all the wonderful things you do for charity.*

## ABOUT THE NATIONAL CHARITY WALK

The Charity Walk for Peace is an initiative of the Ahmadiyya Muslim Elders Association – part of the UK's oldest established Muslim community.

Inspired by the tenets of Islam, the Charity Walk for Peace aims to relieve suffering and serve mankind regardless of colour, creed or race. By bringing people together to help others it works to promote peace, engender greater understanding and promote goodwill amongst people from all walks of life.

Since its inception in 1985 the walk has been held at different venues across the UK with thousands participating each year. Over £5.2 million has been distributed to over 500 UK registered charities.

## CHARITY CHAMPIONS

Our volunteers are vital to the success of our charity work. Dedicated teams of volunteers are our social capital who contribute selflessly with their time, energy and enthusiasm to raise funds. We have more than 150 Charity Champions who collectively raise over £150,000 every year.

*Our mission is to help society, to support charitable endeavours, to work to secure the common good, to demonstrate loyalty to country and nation, and to defend the dignity of mankind.*

*All organisers are volunteers Every Penny raised goes to charity  
No administration costs are deducted.*

## OUR INSPIRATION

Our community advocates peace, tolerance, love and understanding among followers of different faiths. Our motto is "Love for all Hatred for None". Our volunteers work tirelessly to help the most vulnerable people.

**"Serving humanity requires that a person does not rest until he has solved the problems of others and takes the weight of their burdens onto his own shoulders. It requires that a person's heart is consumed by a love for others, whereby he cares not for his own comfort – but rather he cares only for the comfort of others."**

## POPPY APPEAL COLLECTION (SOUTH REGION 2018)

In 2018, CWFP launched a special Poppy Appeal campaign with the support of the British Legion at Victoria Station, London.

Over 200 CWFP volunteers spent hundreds of man hours to collect funds in various locations in Croydon and London.

*We believe that we are obliged to be loyal to the country in which we live. The Deputy Mayor of Croydon helped launch the Poppy Appeal for South region in Croydon high street. Our efforts helped raise a massive grand total for the UK of £501,000.*
