

PERFORMANCE PARKOUR AUDITION

The Urban Playground Team and Dance Umbrella are looking for performers aged 16 - 24 years old to take part in **TO FLY BEFORE WE FALL**, a new, site-specific performance combining parkour and dance in the UPGTeam's unique 2PK style. The show will explore street level locations forming a trail from East Croydon station to Fairfield Halls as part of the Fairfield Takeover, culminating in a dynamic physical finale performed on one of the UPGTeam's bespoke sets outside this iconic venue.

We are looking for committed confident individuals who are willing to learn and work together with the professional company to create a unique celebration of the streets of Croydon. Previous experience is not necessary, though very welcome. Attitude is everything! Rehearsals will take place outdoors during October.

2PK or performance-parkour is the choreographic language of freerunning. The UPGTeam have been working with one of parkour's co-creators for over a decade, and together they have developed a style of movement that combines parkour with contemporary and urban dance and physical theatre.

SAT 28 SEP **Fairfield Halls**
2-4pm **Park Lane**
 Croydon
 CR9 1DG
