Investing  
in impact

## Community Impact Partnership

Finance supporting social impact

We offer investments of £25,000 - £150,000  
to support organisations with a social mission

The Community Impact Partnership is a joint initiative between four of the UK's leading housing associations. We provide social investment in the form of blended loans and grants to help charitable organisations, social enterprises and community businesses to grow and innovate. We invest in work that can achieve sustainable social and economic benefits for communities across England served by the four partner housing associations.

**We have £3million available to invest until 2021**

## **We offer:**

- Investments of £25,000 - £150,000
- Blend of loans and grants
- Loans repaid over maximum of 5 years
- Flexible terms including capital repayment holidays
- Average 7% interest

We also provide tailored support through skills development and mentoring opportunities.

**For more information and to apply online visit
