The Cassandra Centre is a Charity set up in 2007 after the tragic murder of Cassandra McDermott. We advocate and help teenagers deal with unacceptable abusive behaviour and we are funded mainly by project funding and private donations.

These unfunded projects that we are offering are the reasons why we are having to charge for some of the activities.

Cassandra Centre is offering a safe place for young people to attend socialise and make new friends. There is a chill out room for young people to enjoy the summer and be safe. There will be a competition at the end of the Barbering Course with goodies bags.

Cassandra Centre is partnering with A2Voice to run a number of part- time activities that is open to all young people aged 11-19 and up to 25 with disability.

**Please note that activities are at different addresses.**
