March**

**5:30pm – 7:30pm**

**The Harvest Centre**

72 Chelsham Road  
South Croydon CR2 6HY

**There is No Charge**

### **History of the Old Testament**

Those of you who know me will be aware that I carry a deep concern, that the Church of Christ should be fully equipped in regard to their knowledge of the Word of God, the Bible.

This short course will present the whole of the Old Testament as one complete story pointing to Christ.

Historical events and characters will be placed in chronological order to give a better understanding of how the narrative unfolds.

### **Bible Origins**

This module will look at how the scriptures came about and the way in which they were eventually translated into English.

### **Prospective Students**

This course is suited to people of all ages and abilities. It would suit the sort of person who is hungry to learn more about the Bible but is not able to access college for whatever reason. Hopefully you will know of such persons in your church and inform them about this course.

*Ronnie Campbell is Pastor of Harvest Church in South Croydon and teaches throughout the UK and Zimbabwe.
