#CarersAreHeroes

The festival concept was proposed following consultation with carer representatives across London.

The group requested that the festival should celebrate and showcase the carer role. We ran our inaugural festival in September 2019 at the Bromley-By-Bow centre.

Due to the positive feedback we have decided to run the festival again in 2020. Due to national guidance in relation to Covid-19, the 2020 festival will be a virtual event accessed through the Zoom link. The festival will include a range of music, games, crafts and activities with several carers being involved in their delivery.
