

# Prisoners' Families

**Holistic support for young people with imprisoned family members**

**Jigsaw4u's Glasshouse Project offers specialised support for children and young people aged 5 to 17 in South West London who have been affected by a parent/carer or siblings imprisonment. We offer 6 to 8 one-to-one sessions to help the child/young person process and understand their relatives absence.**

**For further information or to refer, email [info@jigsaw4u.org.uk](mailto:info@jigsaw4u.org.uk) or call**
