

FUNDING OPPORTUNITIES FOR VOLUNTARY & COMMUNITY SECTORS

As part of the **One Croydon Alliance, South West London CCG (Croydon)** is seeking to fund mental health local voluntary & community groups to provide services or activities that will support mental health.

The service aims to target adults who have an identified mental health need.

Recurrent & one off funding is available in the region of £1,000 - £5,000 per project.

Higher amounts, up to £30,000, for exceptional initiatives can be discussed with the Mental Health Commissioning Team

Tell us your idea: Please request a funding pack so that you can apply with your good idea(s). 

As part of the pack you will find a service specification which sets out what we are looking to achieve.

Strategic Goals & Outcomes for Mental Health:

- ◆ Improving access to mental health services.
- ◆ Improving service user experience.
- ◆ A sustainable health & care system, affordable models of care delivering improved outcomes.

Who can apply?

- ◆ Voluntary & community organisations delivering services to Croydon residents & those registered with Croydon GPs.
- ◆ You must be able to demonstrate how you link with other local groups & organisations.

How to apply

Please write to us at **MHCommissioning.Croydon@swlondon.nhs.uk** to be sent a funding pack.

Application submissions will close at 5pm on 19.01.21.

Please put **LVP-MH FUNDING APPLICATION** in the title of your email.

You will be contacted by a Mental Health Commissioner.
