

Our News 3

Directors welcome

Hello everyone, **welcome** to our third “**Our News**”.

I am well and **keeping busy** with working at home. Hope you are doing well also. It has been **hard** at times and can be **lonely** and I’m **missing friends**.

One thing that is **cheering me up** is my lovely **cat**. He made me **laugh** when I caught him **drinking** from my **saucepan** with my garden peas in. I had to start my dinner all over again.

We have added a **wordsearch** and a **quiz** for you to do; and **Sedley** has done a **poem** for you to read. **Enjoy!**

I would love to hear how you are **coping** and **keeping** yourself **busy** in this hard time. We would love to put it in our next issue. **You can text or email us.**

Am I invisible?

We walk down the same road

But you still can't see me

Is it because I am different?
