

1

Agenda

- Introduction
- Business Plan
- 3 Work Plan Activity (Dataset, Framework, Raising Awareness & VOC)
- Draft Tool for Practitioners

2

Core Discussions

Business Plan Update:

1: Mapping - Data refined (Health, Public Health, Social Care, SEND, Gateway, Education, Voluntary Sector all contributing). Meet with Local Authority Commissioners to clarify how CWD are referenced in their procurement and contract management.

2: Framework - Join up achieved with People Too, SEND Strategy, Leaving Care Strategy work plan. Tool for practitioners to consider when working with CWD/SEND & their families (in draft). Join up in progress with Local Offer Website.

3: Raising Awareness & Voice of the Child - Section 11 Tool strengthened to reference CWD/SEND. Training Offer: Some scoping achieved. Meeting on a page – simple awareness tool for all partners.

Activity:

Communication leads identified. Understanding Health Visitors KPIs and ability to recognise and respond to early signs of CWD/SEND. Question for the Croydon Family Resources Survey.

Draft Tool:

Tool helps practitioners consider disability & SEND and signposts to relevant information & support
