## ***Croydon Maternity Voices Partnership***

invite you to join the

### ***15 Steps for Maternity Event***

***Wednesday 10th July 2019 ~ 10am - 2pm***

#### **Croydon's Maternity Voices Partnership**

is hosting this event to to gain insight into the pregnant woman's maternity journey, including the feeling & atmosphere that Croydon Maternity Unit currently embodies.

We encourage anyone who has an interest in improving maternity services to join MVP members and service users as we walk in a woman's footsteps, through Croydon's maternity units & corridors, noting our observations.

These findings will be fed back to the wider group as we enjoy a communal lunch, provided by Croydon's Maternity Voices Partnership.

From these discussions, we will establish both short and long term goals to enhance a woman's maternity journey at Croydon.

These findings will be actioned through Croydon's MVP, transforming the service user experience at Croydon.
