

# National Ambassador role description

## What is a National Ambassador?

2020 will see in our 7th team of National Ambassador's start their journey. With a growing number of young residents, we are looking for a dynamic team to represent their views within Clarion.

As a team you will decide your priorities to focus on for the year ahead and aim to solve them with the guidance and support from staff around the business. We will offer a tailored training package to ensure this is a personal development opportunity, while making sure your voices are heard as you help make changes across Clarion Housing.
