

Eat out Together

Overview

Start It Right is looking to provide exciting and challenging initiatives for young people to enable them to use their voice and experience to enrich the world around them.

'Eat out together' is a chance for our young people to show off their cooking, hosting, and budgeting/monetary skills. Equally as important as being able to win prizes for becoming the ultimate chef!!!!

With the support of dedicated and passionate youth workers and volunteers, we aspire to achieve a collaborative network of programmes. This is so we can reach more young people locally and instil in them visions of happy and healthy futures.

What is 'Eating out together'?

Eight young people (In pairs of two from each organisation) take turns hosting what they consider to be the ultimate dinner party. The guests give them points, and at the end of the competition, the winner will walk away with prizes!!

Young people will have a budget given to them of £80 to purchase cooking ingredients and to theme their party. Each dinner will cater for 8 people, two that will be hosting the dinner and six other young people (four different organisations will have two young people each). The £80 budget needs to cover the cost of food and drinks, all decorations and games to host the night. This meal needs to have a **main course and dessert**. and More details will be provided in the 'Congratulations email' if your youth group/organisation.

3. Consent Forms

Once you have selected two young people to represent your youth group/organisation, the young people need to have their consent forms signed by their legal guardians to confirm that they are able to attend the different locations (the locations will be confirmed once we have chosen which organisations have been successful in their application). The consent forms will be sent in your '**congratulations email**'.

4. Agreement

Each youth group/organisation will need a staff member to support the two young people to attend the three external locations as well as a trip to the local supermarket. This staff member will provide support and encouragement to the young people, but cannot help them to cook the meals. The young people participating in the competition need to be able to attend all four dates; **3rd, 10th, 17th & 24th March 2022, between 5-7pm**, people who are hosting will need longer as they will be cooking.
